

A Big Working Bee, THANKYOU!

Last Saturday we had a very successful working bee at school. While the weather was initially cold, it warmed up as everyone worked hard and did an amazing job improving our school grounds.

A number of garden beds were tidied up, the old chook shed was removed and two of the frog bogs in the environmental area were weeded. A very big thankyou to the families and staff members who attended.

'Winter Warmies' Day

This year our student leaders are supporting ASRC (Asylum Seeker Resource Centre) with a 'Winter Warmers' drive. Students are encouraged to wear their 'Winter Warmies' to school on Friday 8th June for a donation of a new item of warm clothing or gold coin to help families in need. Please support our student leaders in this community project.

Mid Year Reports

Teachers are in the process of compiling the Mid Year Reports. The reports will be sent home on the 27th June. If you require two separate reports or your family has two separate addresses, could you please let the school know. Alternative family forms are available from the office.

2019 Foundation (Preps)

It is hard to believe that we are half way through the year! It's now time to enrol children for Foundation (Prep) in 2019. Our Foundation Transition Program will begin in July and the enrolled children will be able to spend time in the Foundation rooms on a regular fortnightly visit from August. If you have a little one at home who starts school next year, could I encourage you to enrol your child as soon as possible, so that we can begin planning our program. If you have friends or neighbours with pre-school children could you please let them know about our transition program and encourage them to collect an enrolment pack from our office.

Queen's Birthday Holiday

Just a reminder that Monday 11th June is a Public Holiday and the school will be closed.

**Karen Luff
Principal**

Helping Children Learn Positive Friendship Skills *How Friendships Develop and Change*

Friendships require give and take. By sharing toys, time, games, experiences and feelings, children learn that they can have their social needs met and can meet the needs of others. Since friendships develop through this kind of mutual exchange, close friendships are usually based on well-matched needs. Children's friendship needs and skills change as they grow. Similarly, children's ideas about friendship change as they develop. This is reflected in the different kinds of activities that children like to spend time doing with their friends at different ages.

Education Week Trail Challenge

Thank you to all the families who came to the Education Night Challenge. It was fantastic to see so many enthusiastic families venturing from classroom to classroom. There was also an overwhelming number of entries for the Education challenge which celebrated the Arts. Congratulations to Sasha (M2B) and Mia (56B) who were the lucky winners of the challenge.

Karingal Klubs

Children enthusiastically participated in their second round of Karingal Klubs last week.

RIPRR Award

Congratulations to Zoe (M2A) for receiving the RIPRR award.

Zoe received the award for being kind, caring, sweet and always positive. She is very respectful and NEVER looks down on anyone. She listens and understands others.
