

Dear Parents/Guardians,

From time to time children at Karingal will be involved in school activities where they may be photographed. Photographs of students may be used in the press to celebrate a student's success in a particular area or to promote activities at the school. Photographs of children are also used in school brochures, web site and other promotional material.

The majority of parents are happy for their child's photograph to be used and their children enjoy seeing their photographs in the press and on school publications.

We need parental permission to publish children's photographs. No child's photograph will knowingly be published without parent permission. Accordingly I ask that **you complete the form below and return it to school as soon as possible.**

Please note this permission form is valid for the duration of your child's schooling at Karingal Primary School, however permission may be withdrawn at any time upon written notification.

Thank you,

Karen Luff
