2024 Financial Contributions

Dear Parent/Guardian,

Karingal Primary School is looking forward to another great year of teaching and learning and would like to advise you of their voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- organise the best possible classroom structure, including smaller class sizes;
- a wide offering of subjects and special curriculum experiences;
- enhanced digital learning opportunities;
- the resurfacing of our basketball court;
- upkeep of our grounds.

Financial support allows us to purchase art supplies, music items, physical education equipment, and library resources. Your financial support also allows Karingal Primary School to provide further digital learning equipment and opportunities, and to purchase items for our Literacy and Numeracy daily focus.

Payment Methods

We offer the following payment methods through the School Office:

- Cash;
- Eft;
- BPay (available through account set up at school office);
- Payment plans (weekly, fortnightly, monthly, termly) are available.

Financial Support for Families

Karingal Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund
- State Schools Relief (SSR)
