2025 BOOKLISTS: YEARS 5 & 6

10th December, 2024

Dear Karingal Families,

It has been agreed upon through School Council that Booklists and School Fees will be separate payments for 2025. Your school fees are a much-needed voluntary payment, however, booklist payments must be made prior to 30th January, 2025.

We have worked tirelessly to streamline our booklists, to ensure there is consistency as well as progression from Foundation to Grade 6. We also value that all items in the booklist are used over the year to minimise waste or excess. In the unexpected case of excess items, these will be returned to your child at the end of the year.

Karingal PS will order all items on the booklists, and they will be delivered to the school. Booklist items will remain at school when payment is made. Teachers take great pride in collating and organising the booklist items for their classes.

Items to be used later in the year will be packaged up in a named bag by the class teacher/s and stored in the classroom for use as required. Teachers manage this equipment in a way that is fair and acknowledge that families have paid for these items for their child's use.

If you have any questions about the Booklist process, please see Samantha Cooke or Jacquie Schneider.

Please complete the form attached with payment and return to the School Office by 30th January, 2025.

Kind Regards,

Samantha Cooke
Principal
Karingal Primary School
