PARENT/CARER INVOLVEMENT at KARINGAL PRIMARY SCHOOL 2026

At Karingal Primary School, we value and encourage parent/carer involvement within our school community. There are many ways families can support the school, including attending meetings, assisting at school and fundraising events, helping in the gardens, or even covering books from the comfort of home.

Please note that a valid Working with Children Check (WWCC) is required for all volunteers assisting within the school environment.

Listed below are a range of activities where support is always appreciated. If you, or another family member such as a grandparent, aunt, uncle, or family friend, may be interested in helping, please tick the relevant areas and return the form to the school office or your child's classroom teacher.
