

Your OSHC.

at Karingal Primary
School

What is a social story?

Social stories are a powerful tool to help children understand and navigate social situations through step-by-step explanations.

By detailing the setting, expected behaviours, and social cues, social stories help children build confidence, reduce anxiety, and develop essential social skills.

Their use ensures that every child feels supported and prepared, making social interactions more comfortable and enjoyable.

You can read more about social stories here:

<https://raisingchildren.net.au/autism/therapies-guide/social-stories>

I am going to Your OSHC.

It is going to be in the school's
Multipurpose room

For Preps

A Camp Australia educator will collect me from my classroom to take me to OSHC.

I can have a lot of fun at OSHC and learn a lot of things. I might see some friends there and make some new friends.

When I get to Your OSHC, I
put my school bag away
and have some food.

While at OSHC I can do a lot of fun things like draw, paint, paste and play outside.

Sometimes I might miss my family
while I am at OSHC, but the
educators will help me feel safe and
secure.

All the children have someone who collects them from OSHC. The educators will support me in purposeful play until I'm picked up.

When I am going home I say
goodbye and smile and wave to the
educators and the other children.

To access Your OSHC, you need to register with us.

Registering an account is easy, all you need to do is download our app (see download links below) or visit the Parent Portal website and follow the registration form.

Once you have registered, then you can book any time!
