Principal Mrs Karen Luff

Dear parents and carers,

As you are aware, the situation regarding coronavirus (COVID-19) continues to evolve.

The Victorian Government has advised that Victoria will go into a hard lockdown for five days from midnight tonight and all schools will move to remote and flexible learning for students.

This means that all students who can learn at home must learn from home. This is a very clear directive by the Victorian Government **based on the advice of the Chief Health Officer.**

As with other remote learning periods, our school will provide on-site supervision for students in the following categories:

Children where both parents and/or carers are authorised workers who cannot work from home, work for an essential provider and where no other supervision arrangements can be made:

- Where there are two parents/carers both must be authorised workers, working outside the home in order for their children to be eligible for on-site provision.
- For single parents/carers, the authorised worker must be working outside the home in order for their children to be eligible for on-site provision.

Children experiencing vulnerability, including:

- Children in out-of-home care.
- Children deemed vulnerable by a government agency, funded family or family violence service, and is assessed as requiring education and care outside the family home.
- Children identified by a school or early childhood service as vulnerable, including a referral from a government agency, homeless or youth justice service or mental health or other health service.

If your child requires on-site supervision, please contact Samantha Marston on 9788 4800 or by email at Samantha.Marston@education.vic.gov.au

Thank you for your support.
Stay safe.

Kind regards,
Karen Luff
Principal
