

ABORIGINAL LEARNING, WELL-BEING AND SAFETY

ACTION PLAN

Note: Throughout this document, the term Indigenous refers to both Aboriginal and Torres Strait Islander people.

Karingal Primary School embraces the vision of the [Marrung Aboriginal Education Plan](#) and celebrates the culture, knowledge and experiences of First Nations Peoples. We are committed to creating and maintaining a school environment that empowers Indigenous students to feel valued, respected and culturally strong.

Our school has a number of measures in place to ensure our community acknowledges and appreciates the strengths of Aboriginal and Torres Strait Islander culture. These measures are outlined below.

Family and community perspectives and feedback

We actively seek participation and feedback from Indigenous students, families and Community by:

- acknowledging the existing knowledge of Indigenous students and their families and seeking their feedback on decisions that affect them, and on how well we are meeting their needs, through initial enrolment, Student Support Groups and during the development of Individual Education Plans.
- working with our regional Indigenous Engagement Support Officers (KESOs) for advice on how we can create a culturally inclusive learning environment and build our capacity to provide support for individual Indigenous students attending our school
- partnering with Nairm Maar Djambana to seek feedback and advice on existing and new actions we can take to support the diverse and unique identities and experiences of Aboriginal students and children in our community.

Training and professional development of staff

To ensure our staff are equipped with the skills and knowledge necessary to create and maintain a positive and inclusive school environment we:

- ensure staff participate in [Community Understanding and Safety Training \(CUST\)](#) training
- provide tailored training and professional development each year to build knowledge for specific staff based on any emerging or current areas of need

- ensure training and professional development equips teaching staff to deliver Aboriginal and Torres Strait Islander perspectives within the classroom curriculum
- support teachers to work in their Professional Learning Communities (PLCs) to map and develop teaching and learning activities within the Victorian Curriculum priorities to enable staff to build their confidence with Aboriginal and Torres Strait Islander content and to recognise opportunities to draw upon Aboriginal pedagogies and practices within their classrooms
- ensure training and professional development equips staff with an understanding and appreciation of Aboriginal and Torres Strait Islander culture's strengths and importance to the wellbeing and safety of Indigenous children and students.

Curriculum and learning

Karingal Primary School supports the development of high expectations and individualised learning for Indigenous students and creates a learning environment for all students that acknowledges respects and values Aboriginal and Torres Strait Islander cultures and identities. This includes:

- implementing the Department of Education and Training's [Indigenous Education Policy](#)
- ensuring that all Indigenous students have individual education plans developed in partnership with students, families, and KESOs.

Assemblies and other school events and activities

We ensure our school events and activities acknowledge and celebrate Aboriginal and Torres Strait Islander culture by:

- acknowledging the Country and Traditional Owners of the land on which our school is located on Bunurong/Boon Wurrung land at the start of every school assembly and meeting
- arranging Welcome to Country by Bunurong/Boon Wurrung Elders at major school events such as the opening of new buildings
- arranging incursions and excursions, and recognising key events and anniversaries that celebrate Aboriginal and Torres Strait Islander culture

Built and digital environment

We ensure our built environment and website demonstrates an appreciation and acknowledgment of Aboriginal and Torres Strait Islander culture through:

- flying the Aboriginal and Torres Strait Islander flags on school grounds.
- displaying plaques/signs outside our main entrance that Acknowledge Country and Traditional Owners
- including an Acknowledgement of Country and Traditional Owners on our website home page

Review and feedback

We recognise that our school's practices must be regularly reviewed and updated in partnership with our families and local communities. We encourage you to contact Samantha Cooke (Principal – Acting) with any feedback, concerns or suggestions
