POLICY**

PURPOSE

To provide parents/carers and other members of our school community with an overview of Karingal Primary School's approach to fundraising.

POLICY

Fundraising is an important way for Karingal Primary School to raise money so that it can deliver additional learning opportunities, and programs for students, and improve school amenities.

School staff, members of the school community or the Community and Wellbeing Committee may want to undertake fundraising activities for Karingal Primary School.

Karingal Primary School encourages all members of our school community to be involved in fundraising initiatives and the School Council welcomes all fundraising proposals.

Fundraising is a function of the School Council and Council must approve all school-related fundraising events or activities on behalf of our school.

At the beginning of each school year, the School Council will approve any school-related fundraising events or activities for the upcoming year. If it is necessary during the year, the School Council may approve additional fundraising events or activities.

In deciding whether or not to approve particular fundraising events or activities, the School Council will act in accordance with legal requirements, any relevant Department of Education and Training policy or guideline, and the Department's *Finance Manual for Victorian Government Schools*.
