

## **Student Learning Conferences:**

**Term 3, 2021**

**Wednesday 1<sup>st</sup> September**

Dear Parents

Student Learning Conferences will be held on Wednesday 1<sup>st</sup> September. This is a scheduled Wellbeing Day for families and staff.

Due to lockdown, the conferences will be held via Webex or telephone.

These conferences will be to discuss your child's wellbeing and how they are going with home learning.

Your child's class teacher email a form to select a time and contact preference. We will also try to coordinate conference times of siblings and ask that you indicate all children, so that suitable times can be accommodated.

Many thanks

Samantha Cooke

Assistant Principal
