### Hyperlinks to Articles on Montessori

I thought I would include as part of our parent education resources, several links to sites with articles you might enjoy reading. I would welcome any feedback on either the articles or whether you felt this a useful section to include in this newsletter.

While you can find many articles on this website: [www.amshq.org](http://www.amshq.org) below are 2 short articles I recommend.

"What Your Child's Teacher Would like you to Know" & "Why Montessori Education is Priceless"

Another site that has several interesting articles tagged with "parenting" or "Montessori Explained" is [www.montessori.org.au](http://www.montessori.org.au)

Have a look at "Offering Encouragement not Empty Praise" (1/12/20)
